

COBRA Administration Services

Full-Service Compliance Management by Pinnacle Benefits Group

What We Handle

COBRA compliance requires precise timing, accurate record-keeping, and strict adherence to federal regulations. Our team manages the entire process so your HR department can focus on core business operations. We serve as your dedicated COBRA administrator from qualifying event through termination of coverage.

Our Services

Election Notices

Timely generation and distribution of all required COBRA election notices within federal deadlines.

Premium Collection

Automated premium billing, payment tracking, and grace period management for all qualified beneficiaries.

Compliance

Full regulatory compliance reporting, audit support, and documentation retention per DOL requirements.

Election Notice Process

- Qualifying event reported by employer within 30 days
- COBRA election notice generated and mailed within 14 days
- 60-day election period tracked with automated follow-ups
- Coverage confirmation and premium schedule sent upon election
- Ongoing premium billing and payment reconciliation

Compliance Support

Peace of Mind: Our system maintains a complete audit trail of every notice, election, and payment. We handle DOL inquiries and provide full documentation packages for compliance reviews.
